From the Headmaster

At assembly this week, Angus Briggs presented the College with the Cup and Banner which the Pipe Band received for winning the Grade 4 Australian Championship in Sydney last week. The improvement in the performance of our No. 1 and No. 2 bands over the last two years has been phenomenal. All the boys concerned are to be congratulated for their incredible commitment to excellence. To the man who has taken our boys to a level of achievement which has never before been reached; Mr Stevie Stanley, we salute you.

Also at assembly, our Captain of Tennis, Colby Norman, presented the College with the Queensland Schoolboys’ Cup which our boys won very convincingly dropping only one set during the competition. Our team has now won the State Championship four years in a row which is an amazing record. Our thanks go to Mr Chris Rolph, our Director of Tennis, who has helped BBC develop a tennis dynasty.

This week, three of our Seniors, Spencer Hayward, Zachary Hayward and Dhruv Goel launched their social enterprise, One Quarter, to help counter the effects of domestic violence. We were pleased to have Justice Margaret McMurdo here to present the opening address and also many distinguished guests who wanted to strongly support this initiative of our three seniors; well done boys!

As we come towards the end of week one in Term 4, our seniors are preparing themselves for the last leg of the academic marathon. The boys are receiving feedback on their Term 3 exams and preparing their last units of work for the year. Work hard and keep focused right until the end, boys. Your position in the rank order of each of your subject disciplines can be significantly affected by your efforts in the last four weeks. Real commitment in these last weeks may well help you get a slightly higher OP Score, which in turn, may open the door for you to gain entry to your preferred course of tertiary study.

FROM THE HEAD OF JUNIOR SCHOOL

Term 4 is upon us and I expect it to be as exciting as the two grand finals on the weekend. There is always much to look forward to in Music Week and then final concerts for the year; the teachers will be getting ready for Reports and we will being to look to 2017 and decide on teacher allocation and class compositions. And of course we have the Junior School Speech Night where we recognise all the boys who have worked so hard during the year. These things and many more will make the last term fly by.

We were to welcome back Mr Alan Russell after his long service leave in Terms 2 and 3 this week however he has decided that the time has come for him to retire. Mr Russell has taught in the Junior School for more than 20 years and he will be greatly missed. On behalf of all the Junior School community I would like to wish him all the very best for the future. I hope to entice him back for an assembly so we can acknowledge his efforts at the school.

Many boys were given their ICAS English certificates at the end of last term but as I like to present boys who were awarded High Distinctions and Distinctions at Assembly some boys are still waiting to receive them. I would like to congratulate the following boys for gaining High Distinctions:

- Jacob Aziz
- Charlie Bateman
- Matthew Deighton
- Felix Griffin
- George Herron
- Llewellyn Hosking
- Jaden Teow
- Ollie Tu
- Cole Wilkinson

Congratulations also go to our Distinction recipients:

- Ari Bottomer
- Harsh Burnie
- James Dahl
- Nicholas Herron
- Tommy Johnson
- Alexander Latzias
- Lucas Lu
- Samuel McAlpine
- Hugh O’Donnell
- Aaron Remedios
- Thomas Ruddell
- Matthew Simpson
- Tomson Spiliopoulos
- Samuel Stafford

All the boys will be presented with their certificates on Monday.

I would like to welcome two new boys to the school this term, Brian and Jun Park. Brian will join 1G and Jun 6G. I know that their new classmates will look forward to introducing them to all the Junior School has to offer.

Mr Gary Musson
HEAD OF JUNIOR SCHOOL

FROM THE HEAD OF EARLY YEARS

Further to welcoming everyone back to school after a well deserved vacation; I would especially like to take this opportunity to welcome to our College Community our newest Collegians, Seojin (Year 1), his older brother, Junseo Park (6G) and their parents, who, having recently relocated from South Korea, commenced at BBC on the first day of the term.

"Finishing the Job... Finishing Hard!"

They laughed and they laughed. Then they all ran away.

And Horton was lonely. He wanted to play.

But he sat on the egg and continued to say:

"I meant what I said
And I said what I meant…
An elephant’s faithful
One hundred percent."

Further to introducing Horton the Elephant, one of my all-time favourite Seuss characters in Term 1, I would now like to take this opportunity to remind our boys of Horton’s unwavering loyalty and determination to finish the job that he had started.

Having “sat on an egg for fifty-one weeks” through extreme weather and ridicule by others animals; to his credit, Horton remained “faithful, one hundred percent” to Mayzie the bird by keeping his promise to sit on her egg until it hatched no matter what.

With this the last term in the 2016 academic year now upon all students, I would encourage each and every boy to follow Horton’s example by continuing to give a 100 percent effort in order to “finish the job” and just like a world-class sprinter, “finish hard” by just not jogging into, but sprinting through, the (end of year) finish line with absolutely all the talent and effort that you possess.

Term Calendar

The Term 4 Calendar will be distributed to every student today. Parents are encouraged to display the calendar in a prominent place at home and highlight the events which are particularly pertinent to your son. Best wishes for a truly wonderful last term.

Years 5 and 6 Father and Son Fishing Weekend
29 October to 30 October

When my son was just a boy; as a father, I unfortunately did feel at times that quality ‘father and son’ time very much struggled to compete with everything else that tended to happen in the very busy world that we live in. If as a father, you too feel challenged to find quality “father and son” time may I suggest that you consider joining your son on the Years 5 and 6 Father and Son Fishing Weekend.

Further to the very successful Father and Son Fishing Weekends which have been conducted over the last five years; this wonderful weekend of fishing and camping, coordinated by Sports Tuition and exclusive to Brisbane Boys’ College, will be conducted at Maroon Dam on the weekend of 29 to 30 October (arrival during the afternoon or early evening of Friday 28 October is also an option).

With boats filling fast; at your earliest convenience, you are encouraged to register online at Sports Tuition website www.sportstuition.com.au so that places can be reserved on your behalf.

Mr Mark Griffith
HEAD OF EARLY YEARS
FROM THE CHAPLAINS

During the holidays I was struck by the number of times that I was asked to give feedback to businesses as to how their service had been. This request either came through email or hard copy requests from cafes, airlines, car servicing, insurance companies and so many others. Some were telemarketers and others were requests to answer questions on survey monkey. Some came with incentives if I participated. It seemed to me as if everyone was in desperate need of feedback. The experience for our students though is a little bit different. They are on the receiving end of feedback that they haven’t asked for which come via their reports. Students then make a decision as to whether they will make any changes that are recommended.

As I pondered whether I would respond to these survey requests, the big question in my mind was whether my response would really change anything.

The reality is though, all of us at some point are looking for feedback to ascertain how we are travelling in the eyes of our peers, our managers and those that love us.

As I reflected on those who came to Jesus for feedback during his earthly ministry, it is very clear that they did not always hear from him the advice that they wanted to hear. The pertinent question, therefore, is when we seek feedback are we willing to take on board what is said. Though this is easier said than done, it is always important to remember that we are a work in progress! God loves us as we are but God calls us to continually be willing to change and become all that He intends us to be.

Term 4 Ministry Support Breakfast

The Term 4 Ministry Support Breakfast will be held on Wednesday 26 October from 7.00am to 8.00am in the Conference Room. Our speakers at the breakfast will be a number of departing seniors. This is a morning not to miss.

Matthew - Year 1

We are on a steady production with the tiles for the mosaic. It is really exciting to see the colour and gloss glaze bringing the tiles to life.

The Year 1 boys have made beautiful dragonflies that will flutter over the waterway. Matthew has created a wonderful dragonfly and painted it beautifully to make it feel bright and happy. Amazing work Matthew!

Music Photo Book

The BBC Music Support Group is very proud to release their 2015-2016 Photo Book for sale to parents and students of the College.

Please click here and follow the prompts to purchase your copy of this wonderful book that captures exciting images of our musicians around the College and Brisbane.

Please contact Lisa Reynolds (lc.reynolds@me.com) should you have any enquiries.

Music Sale

The Music Support Group is organising a fundraising Second Hand Music Sale, to take place in early Term 4.

Do your piles of sheet music need a spring clean? Is it time to clear some clutter? Do you need to streamline your musical life?

If so, gather up those no longer needed band tutors, AMEB books, vocal pieces, piano compilations and bring them to the Music Department. Any printed music donations will be gratefully accepted.

A box for collections will be placed outside Mr Kotzas’ room (Level 2 of the Music Department).

Dates and times for the sale will be announced soon. Any music collected and not sold will be donated to Lifeline. If you have any queries, please contact Helen Gibson via hgibson@bbc.qld.edu.au

EXPRESSIVE ARTS TALENT QUEST

Term 4 brings an exciting opportunity for all boys in the Junior School from Prep to Year 6. The boys will audition to work with industry professionals in Dance, Drama and Theatre and Audio Visual. Everyone can participate, even if they’ve never experienced Expressive Arts before.

The format is changing slightly, as this year’s showcase will incorporate more theatre through the theme of ‘Charlie and The Chocolate Factory’. Expect dancing Oompa Loompas and all of your favourite characters to be present. The theme will link the talent quest performances which will also be showcased on the day. There are four components of the showcase:

1. Talent Quest
2. Dance
3. Audio Visual
4. Drama and Theatre

The showcase performance is to be held on the second last day of school, Thursday 1 December. Rehearsals will commence on Wednesday 12 October. A registration form is included at the end of this newsletter for the Talent Quest and also Expressive Arts - Dance and Drama.

There are a variety of hidden talents amongst our boys and this platform allows them to showcase their various abilities and skills in front of their peers. All the boys are encouraged to participate.

What talents are we looking for?

Variety, variety, variety! Think Australia’s Got Talent. Everyone is special and has a different talent. The talent you might like to showcase might be singing, dancing, acting, music, choreographed routines, skipping, speed sums, magic tricks, circus act, comedy, gymnastics and the possibilities go on. Your act should be 1-3 minutes’ maximum to ensure you maintain audience attention.

• You can enter as a solo performer or as a group.
• Props, costumes and lighting can also be utilised during your audition.
• Acts will be judged on their individual skill level, entertainment value, audience engagement and the wow factor!

Overall this is an opportunity to think outside the box. If you would like to participate please complete an entry form attached to this newsletter and return it to the Junior School Office.

QDU DEBATING

This year we have two teams in the QDU Junior Round Robin Competition.

Year 5 are competing in the Primary School division while the Year 6 team competes in the Junior Secondary School competition against Year 7 teams. This is a great competition as boys broaden their experience debating against a wide range of schools.

Year 6

Competing in the Year 7 competition is providing invaluable experience for these boys, encouraging them to ‘raise the bar’. In their final debate of the season they will be doing a ‘Short Prep’ debate, something which Year 6 does not usually attempt. This will provide invaluable experience for next year. Kourosh Aegari, Umang Gilhotra, Tom O’Rorke and Hamish Harp are enthusiastic debaters who are ably coached by talented Year 10 debaters Riley Bowyer and James Ward – both of whom have been debating since Year 7. Their final debate is on Wednesday 19 October at 8.15pm. The boys have to arrive at Brisbane Girls Grammar School by 7.00pm to begin preparation.

Year 5

QDU competition has enabled GPS debaters to hone their skills and provided an opportunity for new debaters to join this activity. The team, in its various combinations, have performed exceptionally well and are to be congratulated on their three wins from three debates. Their final debate is on Wednesday 12 October at 7.00pm at All Hallows’ School. Boys debating in the QDU competition are: Nick Hendricks, Jaden Teow, Yash Rao, Angus Norris, Aidan King, Sean Hudson and Tom Lomas.

For all matters debating please do not hesitate to contact me via christopher@bbc.qld.edu.au

BBC PIPE BAND

Last weekend, BBC Pipe Band travelled to Knox Grammar in Sydney to compete in the Australian Pipe Band Championships.

We competed against 21 other bands in our section from Australia, New Zealand and Malaysia. It was a hugely tough competition, but our boys performed to an unbelievably high standard and we ended up winning the Australian Championships.

Izaak Dove also competed in the Drum Major event and made it through to the Open Final gaining fourth place (against the adults) which was a fantastic achievement. More photos can be found at: www.facebook.com/BBCPIPEBAND/

DIRECTOR OF PIPE BAND
GPS Track and Field

We are certainly now in the home straight in terms of both the school year and the GPS Track and Field season.

There are three Years 5 to 12 lead up meets before the 10 to 12 Years carnival on Thursday 27 October. (10.00am start)

Friday 7 October - QSAC
Friday 14 October - University of Queensland
Friday 21 October - Nudgee

Relay training priority

Coaches will be ensuring boys required for the 4x100m relay events are aware of training times in preparation for the GPS carnival. The relay events are as follows:

- 10 Years 4x100m - Division 1
- 11 Years 4x100m - Divisions 1 and 2
- 12 Years 4x100m - Divisions 1 and 2

Mr Russel Hansen
DIRECTOR OF ATHLETICS (TRACK AND FIELD, CROSS COUNTRY)

Holiday results

During the recent school holidays, Tom Brentnall (Year 6) competed in the SSA Swimming Championships in Darwin. At this meet, Tom secured an individual bronze medal in the boys 12 Years 50m Backstroke where he broke the 34 second barrier for the first time. He then picked up two silver medals in the 4x50m Medley relay and the 50m Freestyle relay. Well done Tom and we look forward to seeing you perform just as competitively for the College in the GPS Swimming Carnival next year.

Training begins for Years 4-6, boys born 2005 to 2007

The start of Term 4 has heralded the beginning of the BBC Swimming season. Once again, Adam Hosking heads up the coaching program for all our dedicated swimmers from Under 10 to Open. However, this year sees a new face step into the coaching ranks of the Junior squad. As an experienced swimming instructor with over a decade of experience, it is an exciting time with Mrs Kattya Bassingthwaighte being appointed as the Junior Squad Coach. With a qualified, enthusiastic and level head, Mrs Bassingthwaighte is looking to instil technical proficiency in all strokes as well as her passion for swimming and the College.

Training sessions for the Junior Squad in the BBC pool are held on the following days:

- Tuesday
  - 6.00am – 6.30am strength and conditioning in the gym
  - 6.45am – 7.45am pool session
- Wednesday
  - 6.45am – 7.45am pool session
- Thursday
  - 6.45am – 7.45am pool session
- Friday
  - 3.15pm – 3.45pm strength and conditioning in the gym
  - 4.00pm – 5.00pm pool session

Season Launch

Next week, Friday 14 October, sees the official launch of the BBC Swimming season. The event is being held at the BBC Pool from 5.30pm to 7.30pm and families from both the Junior and Senior squads are warmly invited. Tickets are $15 per person and include a BBQ dinner, soft drink and raffle ticket on arrival. Please click here to purchased your tickets. The Season Launch flyer is also included in this edition of Junior School News.

Families with students who are currently registered to swim have already been contacted with details about the upcoming swimming season. If your son would like to participate in swimming at BBC, and he has not yet registered, please complete and return a Summer Transfer Form to me via bshields@bbc.qld.edu.au at your earliest convenience.

If you require any further information about the Junior Swimming program, please do not hesitate to contact the new MIC Junior Swimming, Mr Russell Bassingthwaighte via:

rbassingthwaite@bbc.qld.edu.au or 3309 3595.

Mr Brett Shields

BBC CRICKET

The pre-season program commences in week three and continues for approximately five weeks.

The training sessions and trial matches on offer are an excellent way for our BBC cricketers to get started prior to playing in the GPS Years 5 to 12 sport program in 2017.

These sessions also support those boys who may be playing Junior Club Cricket in the pre-Christmas competition.

Please see the document attached for further details. Return the completed section to the Junior School Office or directly via email by Tuesday 11 October.

“We know you as the knight, crusader, viking, gladiator or pirate you are.”

We want our Prep - Year 3 boys to have enormous fun while developing their athleticism and we have prepared our programs specifically for the purpose of utilising ‘play’ without being restricted by rules and regulations of specific games or known sports.

We regard three main areas as fundamental in guiding what we do and we see this program as an essential part of the adventure of early learning. In line with our Prep -12 Athletic Development program, we want to develop in your son the three broad skills of ‘Locomotion, Manipulation and Stabilisation.’ The activities we have planned cover the full range for each of these – running, skipping, hopping, catching, throwing, grasping, striking, balance, rotation, anti-rotation and bracing.

Part of our Prep – Year 3 ‘Adventure’ supports the World Health Organisation recommendations of 60 minutes per day of moderate to vigorous exercise. We believe, in our drive to develop your son’s physical and character strength, that puffing and sweating through play based exercise everyday whilst learning specific skills, is a terrific base from which to build confidence – and to our Prep – Year 3 boys, “We will help you find confidence by unearthing your talent.”

As our boys move into Year 4 of our Junior School, we maintain our focus from our Prep to Year 3 ‘Adventure’ theme and introduce the specific rules, regulations and plays for Football, Cricket, Rugby, Basketball and all Track and Field events, including Cross Country. At this level, we do not engage in formal competitions. Rather, we seek to enable boys to learn a range of sport specific skills, experience the dynamic of achieving set goals and, in the process, develop a determination to excel.

Year 4 is a natural link between our Prep - Year 3 program of developing skills of locomotion, manipulation and stabilisation, and the GPS Years 5 to 12 competitive sporting environment. In Year 4, we explicitly focus more on boys operating within a team environment – with all the excitement, trepidation and complexities that derive from that experience. We know that positive contributions to ‘team’ construct character strengths, develop skills of communication and provide a platform to continue our decision to meet World Health Organisation recommendations of 60 minutes per day of moderate to vigorous activity. To our Year 4 boys, “We will encourage and empower you – not just coach you.”

Concert starts at 6.30pm
No tickets required - Free event
The 2017 year at BBC will allow boys to compete in a GPS Years 5 – 12 sport program. This will most certainly be an exciting time for BBC boys currently in the Junior School. It will also involve a change in protocols and procedures for some players and parents when it comes to weekly routines and formats for training and matches. Importantly, BBC boys currently in Years 4 – 6 who wish to play GPS cricket for the College in 2017 should make themselves available where possible for the training sessions and trial matches during Term 4, as noted below.

All boys currently involved with BBC in-season commitments (e.g. Track and Field/rehearsals) must prioritize these above pre-season cricket commitments.

**Term 4 Pre-season Training**

There will be two training sessions/week available, commencing on Wednesday 19 October for approximately five weeks. Sessions will be held on Wednesday and Friday after school from 3.20pm - 4.50pm at Noblet Oval nets. (batting, bowling, fielding, wicket keeping, net sessions, matches/game tactics will be covered). Boys should wear their PE uniform and hat. Boys may bring their personal cricket gear for Wednesday sessions only.

**Internal Trial matches**

There will be internal trial matches available to boys in November. These matches are designed to continue technical and tactical development and to assist in the selection of teams for the 2017 season.

- Boys entering Years 5 and 6 in 2017 will trial at BBC on Saturday 5 November from 1.00pm – 5.00pm.
- Boys entering Year 7 in 2017 will trial at BBC on Saturday 12 November from 1.00pm – 5.00pm.

More details about these trials and the 2017 GPS season will be made available during Term 4. Please complete and return the form below to the Junior School Office or directly via email to me by Tuesday 11 October.

Please contact me via email: dmarriott@bbc.qld.edu.au or Mobile: 0416 259 859.

More than simply a sport, Gymnastics serves to develop not only a child’s physical ability but also his communication, social skills and overall psychological development. Gymnastics is widely acknowledged as a foundation sport with the skills learnt applicable across codes and within the learning domain. BBC’s Gymnastics program is designed to promote healthy childhood development and to cater for all boys of the College we offer two programs.

1. Development (Enrolment via online portal link address is https://app.jackrabbitclass.com/reg.asp?id=518545)
2. GPS (Please contact Ashley Druve adruve@bbc.qld.edu.au)

Our Development Program nurtures all of the following in a safe, fun, caring environment for your sons; head to toe strength, gross motor skills, fine motor skills, coordination, proprioception, spatial orientation development, sensory integration, balance, respect, discipline and speed. This program continues to build through the years from basic to more complex movement producing the essential building blocks for all movement and sports skills both inside and outside the gym. It provides a foundation for all future sport at our College.

The GPS Program extends on the Development Program to get boys ready for gymnastics competitions. It involves extensive physical development in strength and core muscle control as well as the gymnastics skills and routines. GPS gymnastics enables students to display the athletic skills and routines, after years of dedicated effort to all those who wish to see the best in physical movement development.

Both our Development and Competitive programs setup our Sons of the College for a life time of healthy living. We look forward to seeing your son in the gym soon.

**How to Enrol in 2016**

- Gymnastics is a fee based activity, with fees payable by term (in advance). All development and competitive classes have term fees payable. GPS classes (in Term 2, 3 & 4) are provided by the levy system, and are by team selection.

- Parents can log on to Jack Rabbit to complete enrolment and finalise fees. Term fees are payable in advance for all classes. When enrolling, credit card details are required and payment will be processed automatically before the first class.

- Classes & Registration - http://app.jackrabbitclass.com/OpeningsDirect.asp?id=518545
  ➢ Start here it is easier to enrol from this page as you get to see classes times, cost, and places available. If a class is available when you click register you will be taken to the registration portal.

- Other fees can include but are not limited to competition entry, travel and accommodation, guards, loops etc.

- You will receive a confirmation email that you have a place once you enrol correctly.

- Places are strictly limited; waiting list can also be applied for once active classes have been filled.

- Students not registered to attend gymnastics through Jack Rabbit Class will not be able to participate in gymnastics classes. If you do not receive a confirmation email before classes start, your son does not have a place in the program. Please contact the Gymnastics Coordinator adruve@bbc.qld.edu.au if you believe you have enrolled but haven’t received a confirmation email within two days (of enrolling).
