END OF RUN

Please note that times are estimates only and may be affected by school departure time, traffic conditions, travel distance and student needs.

All BBC buses are fitted with a GPS tracker. Parents and guardians are encouraged to download the TransportMe app to track their BBC school bus run in real time for free. Simply download the free 'Transportme Passenger' app, available on both the Apple Store and the Google Play Store. Once downloaded select the "Track Your Bus" option; select Brisbane Bus Lines from the Operator drop down menu, then select the required BBC route from the screen. This is only available when the bus is in service on morning and afternoon routes.

All BBC Bus services are subject to change. For more information, please visit the Charter Bus Service page on Highlands.
