About us

Brisbane Boys' College is an established GPS day and boarding school. The school was founded in 1902 by Mr Arthur Rudd, who had a vision of moulding boys to be worthy leaders and good citizens – a vision which remains today. The College occupies a 13 hectare site four kilometres from the centre of Brisbane and has a current enrolment of some 1500 boys from Prep to Year 12.

Our Guiding Philosophy

We are strongly of the belief that boys need to have clarity around the “why” of their learning. We teach to develop students' acquisition of the hierarchy of cognitive skills. This enables our boys to know, understand and meaningfully apply their knowledge. Such transferable skills form the basis of the “why” of what we ask students to learn.

As practitioners of boys' education, we associate learning with the childhood development of boys. As such we describe our approach to learning as being 'All About the Boy'.
