BRISBANE BOYS' COLLEGE

The Brisbane Boys' College Foundation provides a limited number of needs-based bursaries that are open to boys seeking to enrol at Brisbane Boys' College as well as current students whose families are experiencing financial hardship due to a fundamental change in circumstances.

All bursaries are means-tested and, unlike scholarships which are solely merit-based, are specifically set aside for candidates in financial need who would otherwise be unable to access a BBC education.

Bursaries may support full or partial remission of tuition and/or boarding fees, with parents/guardians required to cover the balance of the account and all other expenses. Bursaries are subject to a biennial review and means-test.

Who should apply?

Brisbane Boys' College welcomes applications from deserving candidates with a demonstrated financial-need who have the potential to gain the most from a Brisbane Boys' College education and who will add to the fabric and history of the College by immersing themselves in the opportunities presented.

All recipients are expected to display academic progress commensurate with their ability and to take full and constructive part in all facets of College life.

Bursary Selection Criteria:

Brisbane Boys' College is currently accepting bursary applications from boys seeking new or continued enrolment in 2020, 2021 and 2022, whose family has a demonstrated and authentic need for financial assistance.

Bursary assistance is open to applicants who demonstrate:

- A desire to achieve to their individual academic potential, as evidenced by academic reports demonstrating a conscientious and engaged approach to studies
- A willingness and desire to participate in all facets of College life, including academic, sporting, cultural and service activities
- Active participation and achievement in a variety of co-curricular activities
- Good character and a willingness to uphold the Christian values of the College
- Financial need

The following means-tested bursaries are available to support boys from diverse backgrounds to attend Brisbane Boys' College, and are open to both new and existing families:

The families of boys who are accepted or enrolled for the Arrowsmith Program are eligible to apply for this bursary.
