

BRISBANE BOYS' COLLEGE

OPEN DAY

Sunday 21 April

PROGRAM

College Tours | Interactive Displays | Performances | Thought Leadership

Welcome.

JUNIOR SCHOOL (PREP – YEAR 6)

Take a stroll through Junior School and explore our Prep, Years 1 to 3, and Years 4 to 6 classrooms to discover BBC's unique holistic approach to primary education.

Children can get a taste of our bespoke Music Every Day Program at our dedicated musical experimentation exhibit, while families with a competitive streak can test their skill at constructing and throwing paper airplanes.

Take a moment to relax during story time in the library, enjoy student musical performances, and regroup for cuddles at our puppy playpen.

SECONDARY SCHOOL (YEARS 7 – 12)

In Secondary School, uncover the trails your boy will blaze into a bright and prosperous future at our 'Human Library' exhibit, where you'll learn more about the pathways from BBC to CEO from current students, Heads of Department, and returning alumni.

Journey through the Wellbeing Zone and discover our tailor-made Tartan+ Wellbeing Model, which supports every boy through the complexities of young adulthood. While you're there, take part in some of the interhouse activities that foster a culture of brotherhood among our students.

COLLEGE TOURS AND ADMISSIONS

The Admissions lounge is located in College Hall.

Please visit College Hall to register your attendance with our friendly Admissions team and join a College Tour.

Secondary School and Junior School Tours will depart from College Hall every half hour from 10am.

Boarding House Tours will depart from College Hall at 12pm and 1pm.

Have questions or need assistance navigating your way around?

Speak with some of our students and staff, located at Information Kiosks throughout the campus.

If you prefer to navigate your own way around, we've created a 'tartan track' for you to follow. These are directional arrows placed on the ground around the campus to help guide you on where to visit next.
